RESUMIX TIPS:

** To ensure that **you** are considered for positions for which you may be interested, it's **IMPORTANT** that you have an **ACTIVE RESUMIX resume'** in the HRSC-SE database at all times! If you need help preparing or submitting your electronic RESUMIX resume', it is recommended that you update your hardcopy resume (SF-171 or equivalent) and find someone who is comfortable using the computer to help you.

** Guidance on how to complete and submit a RESUMIX resume' can be found at <<http://www.donhr.navy.mil>> (click Jobs, Jobs, Jobs).

** Be sure to designate the SPECIFIC SERIES for the position(s) that you would like to be considered for on your RESUMIX resume' on file.

** The APPLICATION EXPRESS feature no longer exists. The **APPLY NOW** function took its place. Be sure to click this button twice.

** For those of you who have status, just go to job announcement, and, for example, enter SE then the four digit series code. This should generate the specific job you are searching for.

** Be sure to show the LOWEST grade level (or pay rate) that you would be willing to accept, even if it is not the grade level that you would ideally like to have.

** RESUMIX resumes are maintained in the MODEREN database for one year. Be sure to update your RESUMIX resume' at least once each year so that it is not deleted from the database!!

** To see "key words" that may be helpful in preparing your RESUMIX resume', review the government-wide qualification standards for the position series you're interested in by going to www.opm.gov/qualifications/index.htm <<http://www.opm.gov/qualifications/index.htm>> and job announcement.
